## Guidelines

One entry per person per quarter, whether by purchase or free entry. A purchase does not increase your chances of winning. Past winners are not eligible to enter for one year after the date they are announced as a winner. At least 100 eligible entries are required; if fewer are received, the deadline extends once by 30 days (see Official Rules). We will draw the winner at random and announce them on Sunday, February 7, 2027. The winner will be asked to sign a short publicity release before receiving the prize.
